## Greetings from C.N.R.S. & SLM Global Nursing College !

### Dear Esteemed Healthcare Professionals,

With immense pleasure, we announce the first National Conference of "Clinical Nursing Research Society" organized in collaboration with Saroj Lalji Mehrotra Global Nursing College.

### About Clinical Nursing Research Society (C.N.R.S.)!!!

Clinical Nursing Research Society (CNRS), is newly established society in the year 2018 under the able and efficient leadership of Dr. Suwersh Khanna, Mrs. Uma Handa and Mrs. Shashi Bala. CNRS is founded with aim to bridge the existing gap of clinical and research in nursing, to promote and percolate evidence based practice in day to day clinical nursing. Evidence based practice is the first step towards the leading positions of nurses as clinical health professionals, administrators and policy makers.

**Mission:** Our mission is to promote research in clinical nursing, bridge the gap between the two (clinical nursing and research) and bring culture of evidence based nursing practice hence set and follow highest quality nursing practice comprehensively.

**Vision:** To create nursing work force to represent all platforms pertaining to health from policy making to the execution to the sustenance.

### About Saroj Lalji Mehrotra Global Nursing College (SLMGNC)!!!

### About National Conference!!!

Change is the need of the hour and always expected from the system, but, we are the smallest unit of the system and change start from cells. In the process of this stepwise approach towards nursing transformation from clinical research we are conducting first nursing conference with the theme "**Clinical Nursing Research for Transformation of Nursing Leadership and Structural empowerment: Need of the hour**" where we intend to bring academicians, industry practitioners and students on a single platform to deliberate on the theme, share views in nursing discipline, nursing profession, hospital administrations, and also issues related to Nursing, Health care, Patients, Hospital, Social Science etc. We cordially invite you to be part of the team of change agents and experience the importance of research and evidence in transformation of nursing leadership and empowerment to bring change in nursing systematically.

The two days conference promise an inspiring blend of interactive plenary sessions, group discussions, panel discussions, active scientific paper presentations, value education sessions and many more.

### Our objectives for this conference are:-

1. To reflect on transformation of Nursing from past to future.
2. To achieve quality assurance in Nursing education
3. To understand essence of nursing leadership.
4. To discuss the challenges in Nursing practice and Service excellence.
5. To share views on bridging the gap between clinical practice of Nurses and administration.
6. To identify role of Nurse Managers in Evidence Based Practice both approach and implementation.
7. To deliberate on legal aspects of Independent Nurse Practitioner.
