About Clinical Nursing Research Society (CNRS)

CNRS is a non-profit organization established in the year 2019. The aim of the organization is to encourage and improve the quality of clinical research in nursing to generate evidence and its application in clinical practice and education at par with Global Nursing Standards. CNRS envisions creating a global platform of nurse researcher for excellence in nursing research and capacity building for its execution and sustenance. Presently CNRS has established its 3 zones, North Zone, West Zone and South Zone.

CNRS as yet.....

- 2 Annual Conference
- MOU with renowned Universities and Institutes
- Webinar series more than 10
- International Conference in collaboration with Nursing Division of Ministry of Health and Family Welfare
- Research Course series for Nursing Teachers and MSc Nursing students
- E-research presentations
- Multicentric Research project
- Panel Discussions
- Zonal activities and many more...

About SLM Global Nursing College, Abu Road

Saroj Lalji Mehrotra Global Nursing College is one of the leading and unique Institution under Rajasthan University of Health Sciences, Jaipur. It is one of the education units of Global Hospital and Research Centre, Mount Abu. We are committed to train nurses who will provide holistic health care to individuals, families and communities with spiritual value based Nursing Education. SLM Global Nursing College was established in the year 2011 with BSc Nursing Course. The college aims to provide high standard comprehensive educational training to all classes of students and nurture human values and ethics in individuals to create a cultural based society. The students have access to excellent clinical, library, e-learning facilities to enhance their learning. Nursing College is well equipped with adequate learning facility including proficient faculty and laboratory infrastructures. Students are provided with training in different areas like basic medical science, super specialty, medical, surgical, oncology, emergency, pediatric, psychiatric, obstetrics & gynecology, community etc. Apart from degree programs, the college conducts workshops, conferences, health campaigns, seminars on the current issues in nursing to update the knowledge and skills of nurses.

CNRS mission is to promote evidence-based nursing research in clinical practice

About the Workshop

Indian Nursing Council has revised regulations and curriculum for BSc Nursing program, 2020 F.No. 11-1/2019-INC. The revised curriculum embraces competency-based and outcome-based approach throughout the program integrating mastery learning and self-directed learning. Competencies that reflect practice standards of the Council address the areas of cultural diversity, communication technology, teamwork and collaboration, safety, quality, therapeutic interventions and evidence based practice. They are prepared to provide safe and competent care to patients across life span and influence patient outcomes.

The revised BSc Nursing Syllabus has been implemented in various states of the Country and Rajasthan University of Health Sciences yet to implement from this academic year. Hence SLM Global Nursing College, Abu Road, Rajasthan in collaboration with CNRS has thought to sensitize the Nursing faculties about the Revised BSc Nursing syllabus, its overview and implementation.

Workshop Objectives

At the end of the Workshop, the participants will be able to :

1. Orient about revised BSc Nursing syllabus by Indian Nursing Council
2. Identify major changes in the curriculum of revised syllabus
3. Gain an understanding of evaluation and assessment guidelines

Target Beneficiaries

Dean, Principals, Nursing Directors, Nursing teaching faculties.
