

Clinical Nursing Research Society (CNRS)

FELLOWS OF PRACTICE IN SYSTEMATIC REVIEW AND META-ANALYSIS (SRMA)

CALL FOR MENTEES

- ✦ Are you ready to master Systematic Review and Meta-Analysis (SRMA) under expert mentorship?
- ✦ The Clinical Nursing Research Society (CNRS) invites nursing professionals, educators, and researchers to apply for its prestigious Fellows of Practice in SRMA program.
- ✦ This unique initiative is designed to hand-hold you through the entire SRMA journey—from developing a protocol to publishing your review.

Program Highlights

- ✦ Interactive Webinars with leading SRMA experts
- ✦ One-on-One Mentoring by experienced SRMA researchers
- ✦ Hands-on Training with cutting-edge tools and software
- ✦ End-to-End Support to conduct your own SRMA
- ✦ Certification upon successful completion
